

What is a Mental Health Champion?

A Mental Health Champion has undergone additional skills training to help promote positive mental wellbeing within their environment.

#MentalHealthChampions

The training has been targeted at people who are likely to be able to use these skills alongside their normal role and you will be supported to think about how this might look for you.

The training will support you with the skills to:

Support & engage others to talk about mental health & wellbeing

Listen to & be a contact point for people who may be struggling

Signpost to appropriate internal & external support

Help to embed positive changes within the environment

Be an advocate for mental health and promote wellbeing

Role model behaviours supporting mental health

AWARENESS

Develop core skills through training

APPLIED KNOWLEDGE
